HOBBIES

ABOUT ME

Hello, My name is Ratul Sarkar. I'm a Front-end Developer based in India with experience of 1+ years. I'm currently working in a start-up company ZIVAKA as a front-end developer. My primary focus is to gather knowledge & work experience along with helping others to grow. I have made a bunch of websites for the company I work for and my clients. Right now, I've started my journey towards MERN Stack
